## OUR PURPOSE

Adventure-Life Preschool is a ministry of Adventure Life Church for young children and their families. Our mission is to serve our church and our community as a Christian preschool.

## OUR PHILOSOPHY

We believe an early childhood program serves as an extension of the family providing education, nurture, and support toward the development of the whole child.

### **Each child:**

- is created in the image of God (Genesis:26-28).
- is unique.
- develops at his/her own rate.
- possesses different experiences and abilities to learn.
- learns best through hands-on experiences.

### **Each teacher:**

- serves as a Christian model.
- guides and facilitates the natural development of the child.
- works cooperatively with parents.

### **Our Program:**

- incorporates and exemplifies Christian values.
- is developmentally appropriate.
- enriches the spiritual, social, emotional, intellectual, cognitive, language, and physical development of every child.
- integrates play as the vital way children learn.
- provides experiences in language and creative arts, music and dramatic play, large and small motor activity, math and science.

### **The Environment:**

- capitalizes on children's natural curiosity and instinct for learning.
- promotes creative thinking and problem solving.
- has large, well-equipped classrooms that incorporate learning centers.
- has a spacious outside play area with equipment that encourages play and physical development.
- meets stringent health and safety standards

**Children need to be potty-trained before entering preschool.**
