

Dear Parents,

An important part of the success that our preschool enjoys is due to the fact that our preschool parents are partners in education with us. Parents who are involved in, and participate in activities become partners in their child's education! We are planing many different types of activities for the children this year. To assist us in our planning, would you please take a moment to fill out the volunteer form at the bottom of this letter? Many of the activities we'd like to do will depend on help from parents. Please let us know if you can help us in any of the ways listed below (or in other ways we haven't thought of.) Educational research says children benefit greatly when parents are involved in their child's education. We appreciate your assistance and willingness to volunteer.

Thanks!

Adventure-Life Preschool Teachers

Parents' Name: _____ Phone: _____

Child's Name: _____ Class Enrolled in: _____
