

Hi, my name is Barb Siemens. I have the awesome privilege of being the director of the Adventure-Life Preschool. I will be here to greet you and your child every day and help keep things in running order.

My husband, Steve, is a motivational speaker and does leadership training. We are involved at the NewLife church in Pleasant Hill. We also volunteer our time for Kiwanis.

Our oldest daughter, Staci, and her husband, Bryon, live in Rhodes with their children Ty, Trey, and Brynna. Our second daughter, Leisl, and her husband, Paul, live in Altoona with their children, Isaac and Lucy. Our son, Chris, and his wife, Irene, live in Altoona with their twin sons, Cade and Isak, and daughter, Emma.

I love playing with my grandkids, reading and writing, cooking and baking, rubber stamping and scrapbooking, sewing and knitting. My newest hobby is knitting purses.
