

Hi, My name is Barb Siemens. I have the awesome privilege of being the director of the Adventure-Life Preschool. I will be here to greet you and your child every day and help keep things in running order.

My husband, Steve, is a motivational speaker and does leadership training. We are involved at the NewLife church in Pleasant Hill. We also volunteer our time for Kiwanis. We have 3 children

and 8 grandchildren.

I love playing with my grandkids, reading, writing, gardening, cooking, baking, sewing, doing all kinds of crafts, travelling, and having outings and parties with my friends.
