

Hello! My name is Brenda Humble.

I teach the Red Bird, Yellow Duck and Lunch and Learn classes. This is my 14th year at Adventure-Life Preschool.

I have been married to my husband, Paul, for 25 years. Our daughter, Genna, is a Junior at the University of Iowa, and our son, Dale, is a Freshman at DMACC.

I enjoy walking, reading, gardening, travel, spending time with family, and eating out with friends.

We attend church here at Adventure-Life, where we have an amazing church family.

I truly believe I have the best job in the world, and have found my calling in life. I adore working with children, families, and our preschool staff.
