

Hi! I'm Marissa Fickbohm. This is my seventh year teaching at Adventure Life Preschool. I teach the Red Bird and Yellow Duck classes.

My husband James and I have been married for 12 years. We live in Altoona with our two children. Miranda is a 5th grader and Austin is a 3rd grader.

We are members of Lutheran Church of the Cross where I volunteer with Children's Ministries.

When I'm not teaching preschool, I teach piano lessons. In my free time I enjoy scrapbooking, cooking, reading, being outdoors and spending time with my family.

I love children and feel so blessed to have a job where I get to interact with them on a daily basis. It is so much fun to see how they learn and change throughout the year. I look forward to meeting your children and getting to know them.
